

Your Road to Rockin' Invisalign!

Rockin' Your SMILE!

10. Retainer Check

Making sure teeth stay where you worked so hard to get them!

11. Final Retainer Check

Final check on your teeth & retainer. Follow up checks only as needed.

5. Refinement Scan

3D scan to see whats left to fix. You will get all new aligners that will take you to the end!

Attachments are small ridges bonded to your teeth that help invisalign move your teeth.

6. Progress Check

3. Receive your aligners

These will get you 80% there! We will bond your attachments & teach you how to wear your aligners.

4. Progress Check

Quick appointments to check the movements on your teeth. We will see you back every 11 weeks.

7. Final Check before removal

Making sure everything is perfect!

9. Get your final retainer

time to get your final removable retainer.

8. Invisalign Removal

We take off attachments & place permanent retainers.

1. New Patient Exam

2. Starting Invisalign

3D scan of your teeth (No Impressions!), Additional x-rays if needed, Financial Planning & Contract

Brad Jennings, DDS, MDS

Dr. Brad Jennings is a Houston Invisalign Diamond provider and has treated hundreds of patients with Invisalign. Jennings Orthodontics is one of the few practices to earn this title by having the highest number of successfully treated patients. As a potential Invisalign patient, you can feel confident in the experience we bring to help you achieve the best results.

This brochure will guide you through the steps that we follow in order to achieve a Rockin' Smile with Invisalign!

Welcome to Jennings Orthodontics

Choosing an Orthodontist for yourself or a child is an important decision. That's why at Jennings Orthodontics, we strive to offer the latest treatment options in a relaxing, fun & rock-friendly environment. Plus, we provide the most flexible financing options in Houston where you're in control of your payments.
